DIGITAL SAT.**
GET READY TO APPLY
FOR COLLEGE.

STREAM INTO COLLEGE

What is life like at a world-renowned university that can trace its roots back over 150 years and whose alumni include 5 presidents, 14 prime-ministers, and many prominent scholars and scientists, including a Nobel Prize laureate? Join us this summer to find out!

Experience authentic undergraduate life at The American University of Beirut (AUB). Take classes in AUB's classrooms, be part of a team working on a research project, conduct experiments in the Faculty of Medicine labs, and interact with AUB professors and students.

10 REASONS TO ENROLL IN STREAM INTO COLLEGE

- 1. Discover college life by attending a 4-week summer program at AUB.**
- 2. Make your college application more competitive (even for Ivy League schools).**
- 3. Prep for the SAT exam with a top notch course by SetOut.**
- 4. Discover biomedical-science-related careers.**
- 5. Get immersed in research culture from a young age.**
- 6. Get career guidance before you start college.**
- 7. Hone your soft skills (e.g. presentation skills).**
- 8. Prepare your college essays for top world universities.**
- 9. Get recommendation letters from AUB award-winning faculty.**
- 10. Form a meaningful mentor-mentee relationship.**

APPLICATION REQUIREMENTS

Acceptance in the STREAM into College Program is on a competitive basis. The admissions committee is looking for mature, academically motivated students who meet the following criteria:

- 1. You must be in G10/seconde (class of 2026) or G11/premiere (class of 2025).**
- 2. Scan your report card of the last academic year you have completed.**
Scan your report card of G10 if you are graduating in 2025 and your G9 report card if you are graduating in 2026.
- 3. Write a motivational essay (300 words max). Address the following points:**
 - What do you like about the STREAM into College Program? Give specific reasons.
 - How will this program help you with your future plans?
 - Speak about your past experiences (academic and extracurricular) that make you a good candidate for this program.

STREAM ISN'T ONLY ABOUT PREPARING FOR COLLEGE; IT IS A JOURNEY OF SELF-DISCOVERY. THE MENTORS HELPED US UNCOVER OUR PASSIONS, EMBRACE OUR UNIQUENESS, AND ENCOURAGED US TO SEEK HELP WITHOUT THE FEAR OF BEING JUDGED.

– Lea Haidar, Collège Protestant Français, class of 2024

PROGRAM TUITION AND PAYMENT METHOD

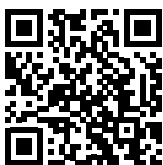

The program tuition is USD 1,900. This amount should be settled in CASH before May 31, 2024. The tuition includes all the needed lab supplies, but it doesn't include the cost of the official SAT exam fee.

FINANCIAL AID

Scholarships are available for students who are accepted but don't have the financial means to attend the program. Priority will be given to students from public high schools.

IMPORTANT DATES AND DEADLINES (2024)

March 1	Application opens
April 30	Application deadline
May 13	Admission decisions out
May 31	The deadline to pay the program fees at AUB
July 1	Orientation and first day of the program
July 31	Graduation ceremony and last day of the program

STREAM GOT ME CLOSER TO WHAT I WANT TO STUDY IN BIOLOGY AND MEDICINE

– Fahd Jin ElHalabi

Deutsche Internationale Schule of Beirut,
class of 2025

RESEARCH WORKSHOPS

Introduction to the scientific method

Laboratory safety guidelines

In vitro models and in vivo models used in research

Ethics in research

Hands-on research
Group formation (Students/Mentor/PI/Project)

TRAINING WORKSHOPS

Tour of DTS basic research core facilities

Introduction to practical skills, pipetting, and dilution

Microscopy & cell culture

Deciphering the genetic code: RNA extraction & RNA quantification

Literature review

Laboratory work

Data analysis

Project writing and preparation of PPT presentation

Data presentation at the STREAM into College final conference

SAT COURSE

The SAT is taught by SetOut's certified Digital SAT instructors. It includes 16 hours of classroom instruction and 3 full-length SAT practice tests.

CAREER AND UNIVERSITY GUIDANCE

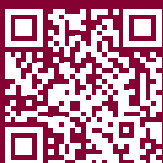

You will attend 8 hours of interactive workshops to explore your career interests, discover new careers, and learn about the requirements to apply to universities in multiple countries.

COLLEGE ESSAYS WORKSHOPS

You will work for 6 hours with experienced high school college counselors and mentors to write powerful essays that you can use to apply to universities.

SOFT SKILLS WORKSHOPS

AUB University Preparatory Program's skilled coaches will help you hone your soft skills in 8 hours of workshops that include: critical reading skills, reflective writing and civic engagement, time management, stress management, public speaking, and presentation skills.
